Pursuant to A.R.S. § 40-360.05, the Cascabel Working Group requests that it be designated a party in the above-captioned certification proceeding. Pursuant to Arizona Supreme Court Rule 31(d)(28), the Cascabel Working Group Board of Directors appoints Mr. Norman (Mick) Meader to represent it in this proceeding. The Cascabel Working Group is an Arizona non-profit corporation in good standing with the Arizona Corporation Commission. We affirm that this representation is not his primary duty, but only secondary to his direction of the Cascabel Working Group as Co-Chair. Mr. Meader currently receives no compensation from the Cascabel Working Group, and he will receive no compensation for this representation other than reimbursement of costs. Mr. Meader's name, address, telephone number, fax number and email address are provided below. All documents should be served upon him.

1 The Cascabel Working Group (CWG) is a landowner-based organization located 25  
2 miles north of Benson, Arizona, on the San Pedro River. We serve as a voluntary community  
3 organization to educate governmental organizations and individuals within the government; non-  
4 governmental organizations and individuals within those organizations; and the public about  
5 environmental, archaeological, cultural, recreational, agricultural, economic and other features of  
6 the San Pedro River Valley and its tributaries with a focus on the Middle San Pedro River  
7 Watershed. We are asking to be designated a party to the case because of the environmental and  
8 cultural (archaeological) impacts of the SunZia Project on the San Pedro Valley.

9 We understand that a hearing has been scheduled for October 19, 2015 in Willcox,  
10 Arizona, to be continued at Tucson, Casa Grande, and possibly Florence, Arizona, as necessary.
